Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #1023

Queue position column order

September 13, 2020 12:19 - Diego Cardinali

Status:	Rejected		Start date:	September 13, 2020
Priority:	Minor		Due date:	
Assignee:			% Done:	0%
Category:			Estimated time:	0.00 hour
Target version:				
Affects version:	4.0.4			

Description

Clicking on the head of the "Queue position" column won't list the songs in that order

Panda Jim's 4.0.5 deb repo version on kubuntu 20.04

History

#1 - September 13, 2020 12:23 - Diego Cardinali

audacious 4.0.5 (isn't listed among "affects version" choices)

#2 - September 14, 2020 04:06 - John Lindgren

You can use Playlist -> Queue Manager to see the current song queue, in order.

#3 - October 23, 2020 23:54 - John Lindgren

- Status changed from New to Rejected

I'm closing this since the program is working as intended. If there's a use-case for wanting to sort the playlist in queue order, it can be reopened as a feature request/discussion, but the since the whole *raison d'etre* of the queue is to be in a *different* order than the playlist, I'm not sure what that use-case is.
