

## Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Feature #1192

### Show lyrics from (extended) mp3 tags

September 24, 2022 21:38 - Christian Köpke

<b>Status:</b>	Closed	<b>Start date:</b>	September 24, 2022
<b>Priority:</b>	Minor	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	plugins/lyricwiki	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	4.3		
<b>Affects version:</b>	4.2		
<b>Description</b> It seems that the lyrics plugin does not show the lyrics from the (extended) mp3 tags. It would be nice for offline operation of audacious to have the lyrics from the mp3 tags.			

### History

#### #1 - October 08, 2022 14:04 - Christian Köpke

E.g. the program id3v2 can show this info. The command 'id3v2 -l' will list all.

#### #2 - February 05, 2023 18:08 - Thomas Lange

- Target version set to 4.3

This feature has been implemented by "broiler315", to be released with Audacious 4.3.
