History

#1 - May 31, 2023 22:05 - Thomas Lange

- Category deleted (libaudgui)
- Subject changed from Can't sort tracks in a playlist by bitrate in the GTK version to Can't sort tracks in a playlist by bitrate

This is also the case with the Qt interface.  
Sorting by bitrate is also missing in the menu bar (Playlist -> Sort -> By ...). Maybe it is intended?

- Tracker changed from Bug to Feature
