<b>Category:</b>	plugins/playlist-manager	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	3.6		
<b>Affects version:</b>			
<b>Description</b>			
Audacious will be much more useful with playlist tabs in a left column rather than a top row.			

History

#1 - August 11, 2012 20:25 - John Lindgren

We could make the playlist manager a dockable plugin.

#2 - August 11, 2012 20:27 - John Lindgren

- Subject changed from Playlist Tabs to Playlist tabs in a vertical column

#3 - October 05, 2014 07:30 - John Lindgren

- Category set to plugins/playlist-manager
- Status changed from New to Closed
- Target version set to 3.6
- % Done changed from 0 to 100
