Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #192

Loading album art can make UI unresponsive

October 06, 2012 21:20 - John Lindgren

Status:	Closed		**Start date:**	October 06, 2012
Priority:	Minor		**Due date:**	
Assignee:	John Lindgren		**% Done:**	100%
Category:	core		**Estimated time:**	0.00 hour
Target version:	3.4			
Affects version:	3.3.2			

Description

Currently, album art is loaded in the main thread, blocking the UI code from running. On a slow storage medium or over a network, this can make Audacious unresponsive and/or slow to start. For 3.4, we should implement a queued request system where a plugin can call a non-blocking function to request an image and then listen for a hook to be called when the image has been loaded.
