Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Feature #264

Hold back scrobbles when the daily limit is exceeded

March 03, 2013 01:14 - Luís Picciochi

Status:	Rejected		**Start date:**	March 03, 2013
Priority:	Minor		**Due date:**	
Assignee:	Luís Picciochi		**% Done:**	0%
Category:	plugins/scrobbler2		**Estimated time:**	0.00 hour
Target version:				
Affects version:	3.4-alpha1			

Description

A track might not be scrobbled due to "daily scrobble limit exeeded".
This message comes on the ignoredMessage attribute, inside the XML of the response.
We are not dealing with this case currently and are losing that scrobble.

History

#1 - July 18, 2015 18:39 - John Lindgren

Closing old scrobbler "TODO" items since Luís has not been actively working on the plugin for a while now.

#2 - July 18, 2015 18:39 - John Lindgren

- Status changed from New to Rejected
