Target version:				
Affects version:				

Description

http://audacious-media-player.org/

The links in the header like "Home", "Downloads" and "Forums" cannot be opened in a new tab
with CTRL + Left click.

The same applies to "Read more" in the news section.
However the links to bug reports (like #228) are opened within a new tab.

History

#1 - April 06, 2013 13:39 - Michał Lipski

- Subject changed from Website: Some links can't be opened as new tab with CTRL + Left click to Website: Some links can't be opened as new tab with CTRL + Left click

- Status changed from New to Closed

- % Done changed from 0 to 100

Fixed. Thanks for the report.

#2 - April 06, 2013 13:40 - Michał Lipski

- Subject changed from Website: Some links can't be opened as new tab with CTRL + Left click to Website: Some links can't be opened as new tab with CTRL + Left click

#3 - April 06, 2013 13:44 - Thomas Lange

- Subject changed from Website: Some links can't be opened as new tab with CTRL + Left click to Website: Some links can't be opened as new tab with CTRL + Left click

Thanks for the fast fix.
Could you tell please what was causing this bug?

#4 - April 06, 2013 13:46 - Thomas Lange

- Subject changed from Website: Some links can't be opened as new tab with CTRL + Left click to Website: Some links can't be opened as new tab with CTRL + Left click

What's wrong with redmine?
