Target version:	3.4		
Affects version:	3.4-beta1		
Description			
Hi,			
Ported gl_spectrum to audacious.			
I managed to create a Makefile, but did not yet issue a pull request because i need some help with CMake for checking for GL and skip the plugin if no GL present on the system.			
the code :			
https://github.com/CBke/audacious-plugins/commits/gl-spectrum			
a demo of the plugin :			
http://www.youtube.com/watch?v=xKNckRDFIsk			
Greetings,			
CBke
