<b>Category:</b>	audtool	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	3.6.2		
<b>Affects version:</b>	3.6.1		
<b>Description</b>			
When using audtool --playback-seeking-relative -x and reaching the start of a song, Audacious used to continue to play the song from the start. Now once it hits the start of a song it will skip to the next song.			
Not sure what version this started happening.
