

Voiceprint visualization

September 05, 2018 06:29 - Dominik k

Status:	Rejected	Start date:	September 05, 2018
Priority:	Minor	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Affects version:	3.9.1		
Description			
One thing that i found missing in Audacious is lack of Voiceprint vis. I had found it in Winamp Classic interface, but i would love to see it as standalone plugin like Blur Scope, ideally with fullscreen option/ palette choser.
