

Default player in Windows

December 31, 2018 15:08 - Chris Archer

Status:	Rejected	Start date:	December 31, 2018
Priority:	Minor	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Affects version:			
Description			
It seems that manual choice is now rejected (at least on my system) for some reason			
The installer should register Windows capabilities			
Clementine uses this file in nsis to do it - https://github.com/clementine-player/Clementine/blob/master/dist/windows/Capabilities.nsh			

History
