

Audacious - OLD, PLEASE USE GITHUB DISCUSSIONS/ISSUES - Bug #89

SIGFPE when populating playlist with certain files

March 27, 2012 22:26 - Andreas Rosvall

<b>Status:</b>	Closed	<b>Start date:</b>	March 27, 2012
<b>Priority:</b>	Minor	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	100%
<b>Category:</b>	plugins/mpg123	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	3.2.2		
<b>Affects version:</b>	3.2.1		
<b>Description</b>			
I get a floating point exception (division by zero) when audacity reads metadata from some mp3 files. It seems mpg123 sometimes can't figure out the bitrate and just sets it to zero. See attached patch.			

History

#1 - March 29, 2012 22:24 - John Lindgren

- Status changed from New to Closed
- % Done changed from 0 to 100
- Target version set to 3.2.2
- Affects version added
- Affects version deleted ()

Fixed, thank you:
