Target version:				
Affects version:	4.0.1			

Description

It would be nice to have an option in Audacious to enqueue songs by default instead of instantly playing them.

I know about the command line option -e

History

> I know about the command line option -e

And what is different about the feature you're requesting?

#2 - April 08, 2020 18:40 - Jeroen Steenhuis

I would like to have a checkbox somewhere in the settings gui of audacious

#3 - April 09, 2020 03:54 - John Lindgren

What would that checkbox accomplish that you can't already do with "-e"?
