Time scale in Qt info popup not working

April 21, 2020 17:44 - Thomas Lange

Status:	Closed		**Start date:**	April 21, 2020
Priority:	Minor		**Due date:**	
Assignee:			**% Done:**	100%
Category:	libaudqt		**Estimated time:**	0.00 hour
Target version:	4.0.3			
Affects version:	4.0.2			

Description

The checkbox "Show time scale for current song" from Settings -> Song Info -> Popup Information
has currently no effect on the info popup.

We should either remove the checkbox from the settings or actually implement the feature.

- File libaudqt-progress-bar.patch added

If you want to add it back, you may use the attached patch.
It is based on the libaudgui approach but I could not manage to let the progress bar expand horizontally.
Column span is set correctly though. Feel free to improve my patch or leave the feature hidden as-is.
